Dear Family and Partners,

Praise the Lord!!! We thank the Lord for what He did during the month of January. The Lord has divinely connected Pastor Joel Ortiz and me. Pastor Joel, the pastor of Iglesia Bandera de Cristo in Naples, Florida, leads weekend "Encounter" retreats where people are delivered and restored to the body of Christ. Vimarie and I were blessed to be able to attend the January retreat where there were 48 salvations on the second day and many others received the baptism of the Holy Spirit. Marriages and families were restored and many were delivered from strongholds. I pray that you will be blessed with the testimony in our letter.

While in Florida I ministered at five different churches. The Lord gave me specific word for each church.

While ministering at Pastor Bronc Flint's church, The Family Prayer Center, I was praying for some people after service and I remember a young lady that the Holy Spirit prompted me to pray for. I had Vimarie place her hands on the lady's stomach and she began to cry. Afterwards she approached me and asked me what I saw in her. She told me that she was not a member of Pastor Bronc's church and that the Lord had impressed her to visit that day. When Vimarie placed her hands on the lady's stomach she said she felt as if something left her body. She experienced such a freedom and joy that she had not felt for quite a while. Praise God that the Lord is setting His people free!!

There are many testimonies like this one. Thank you partner and family for you are a part of this blessing. Your prayers and support allow this ministry to go forth with a

message of freedom and deliverance. Where we go, you go with us.

I want to thank Pastor Joel from Bandera de Cristo, Pastor Humberto from Cristo Reina, Pastor Byron, from Cristiana Peniel, Pastor Daniel, from Ministerio "La Gran Comisión" and Pastor Bronc from The Family Prayer Center for allowing us to minister in their midst.

I will be traveling to Florida to minister at Pastor Joel's "Encounter" retreat March 16th - 18th and also be ministering at some of the other area churches.

Please continue to keep us in your prayers as we are in planning a trip to Colombia this coming April.

The construction part of the Women and Children's Foundation in Cali is complete. Praise God! We are now in the process of painting both the inside and outside of the building and then we will furnish it. Please continue to pray as these final items are taken care of.

Without you we could not touch these

many lives.....

We are excited to share with you that our website is up and running. You can now visit us on line at:

Testimony From Retreat Experience.

I want to share my heart about the "God Encounter Weekend" in Florida in January.

Before going to the "Retreat", I felt my "strongman" did not feel safe.

After going through the weekend (which I've never been through something of this caliber before) the Lord showed me why I felt "unsafe".

On the way to the airport the Lord gave me this scripture: 2 Chronicles 7:12-16.... in my New Living Translation bible it reads: "I have heard your prayer and have chosen this Temple as the place for making sacrifices. At times I might shut up the heavens so that no rain falls, or command grasshoppers to devour your crops, or send plagues among you. Then if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, I will hear from heaven and will forgive their sins and restore their land. My eyes will be open and my ears attentive to every prayer made in this place. For I have chosen this Temple and set it apart to be holy- a place where my name will be honored forever. I will always watch over it, for it is dear to my heart.

This is what the Holy Spirit gave me as the interpretation: First, let me say that I "had" lost my first love. About three weeks ago the Lord used a new believer in Christ, to allow me to experience her hunger. I began to weep because I had not felt that in years. This was the very thing I felt the first time I gave my life to the Lord and I was afraid that I would never feel that again. It was out of desperation to be back in that place that I decided to go to Florida. I had no idea what awaited me there. Pastor Enrique and I never discussed anything about the weekend. I went because I was in an extremely dry place and was ready to leave the church. I felt stopped up and stuck in one place.

God is the one who chose the "place" where my temple would be rebuilt in 3 days. The experiences that I had with the Lord last weekend was a "life raft" that was thrown out to me by my Father. I was in a place that I knew I had to have a life changing experience or else one of God's warriors was fixing to do who knows what. All I know is I feel cleaner than I have in a long time. I also realize that we don't know how dirty we get until we've been washed.

I experience what it is to see a church who helps those who need reconciliation and hope without judgment. To reach out with the "love" of Christ and be bathed from the filth of the world without being offended by the smell. I have never experienced "Christianity" in progress as I did last weekend. Something else I experienced was "being served". I have always been so busy being a servant that I had forgotten what it felt like to be "served". I said all this because for me to come to the place that I did this last weekend I needed to feel "safe". Safe from the body of Christ that is in a state of pain itself, safe from offense of some thinking more highly of themselves than they ought, safe from man thinking they can actually bring the healing and reconciliation. I truly got to experience God's power without man getting in the way. I never understood the power of praying and fasting until I saw the love of God demonstrated in "Leaders" going low to serve others. I am not the same.....I am finally the wife I've wanted to be and I feel beautiful. Upon arriving home I found flowers and a card that read "Thank you for honoring God by loving me through the love of Jesus.....and I hadn't talk to him in four days! God's timing is perfect! What a mighty God we serve!!!

We give Glory unto the Lord for what He is doing, bringing Healing and Restoration to his people. Hallelujah....

THANK YOU LORD!!!
