News Letter

Let your light so shine before men, that they may see your good works, and glorify your father which is in heaven Mather 5:16

Beloved Partners and Family,

This month the Lord has impressed upon my heart to write about our young generation. Our nation is daily plagued with gang violence, often resulting with teen death. The devil's main initiative is to destroy the youth of today, knowing that they are tomorrow's leaders. Remember Ephesians 6:12 says, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places". Therefore we must engage in spiritual warfare for the lives and souls of our young people.

Recently I had an opportunity to speak to a gang member. He shared with me how the gang leadership practices voodoo and witchcraft to entice and draw the hurting and lonely young people in their "family". Once the child becomes a part of the gang, they are easily influenced to do the will of their leaders who they look as a father. They will assault, steal, sell drugs and even murder if asked. Their consciences become seared. I feel an urgency in my Spirit put out a call to the body of Christ on behalf of these youngsters. It is time to **wake up** and to **repent for being asleep**. It is time that **we, the body of Christ, declare war! War against the powers of dark-**

ness and principalities of the air. Fighting with a vengeance in our hearts and the fire of God in our eyes against the forces of evil.

I had the privilege of leading this young man to the Lord as well as walking him through deliverance. As I led him in prayer, many demons began manifesting, speaking with different voices and saying, "I may have lost you, but there are more like you and I will destroy them". There are children as young as 12 years of age in gangs. It's sad to think that even as you are reading this newsletter, children are being initiated into a gang. We must stand in the gap for these innocent children. Let's remember to pray without ceasing everyday for them.

[Update about Foundation in Colombia:](#)

In our previous newsletter we mentioned that the construction and painting has been completed for the "Luz de Victoria" Children's Foundation. Praise God!!! At this time we are asking our partners to be prayerful about participating in furnishing the building. The foundation needs appliances, office furniture and computers, school supplies, school furniture and the kitchen to be furnished. Light of Victory Ministries is so thankful for your faithful prayers and support. Our prayer for the mothers and

the children is Proverbs 22:6. "Train up a child in the way he should go: and when he is old, he will not depart from it". The Lord said to me if there is no one to train how they are supposed to know. These Colombian children will be passing the torch to other children of our future generation. We have been blessed by the Director of the foundation of Luz de Victoria, Gloria Moreno, along with other lady intercessors as they have been assembling in prayer everyday at four o'clock in the morning praying for the children, mothers, marriages, neighborhood and you partners.

I also want to say that we have received many phone calls requesting prayer from the Radio Program. I thank the Lord for allowing me to plant a seed into the listener's lives. We pray that you will be able to join the listeners.

I had an awesome time during my ministry trip in Florida this past week. Be watching for an update in next month's newsletter.

God has just opened another door for me to minister on the Spanish TV Station here in Houston. Please consider becoming a covenant partner by covering us in prayer daily and planting a financial seed towards the television program.

Mark your Calendar for our next month Praise, Worship and Ministry Service at Houston Revival Center 6:30pm.

Everyone is welcome!!!
